J) Shoreline Vegetation Protection Area  
b) Establishment of use corridor(s) for each lot by mowing, pruning and selective removal of trees, stumps and shrubbery. The use corridor(s) shall be more or less perpendicular to the shore, shall not exceed 30 feet in total width in any 100 feet of shoreline and shall be set back at least 15 feet from the side lot line. For lots having less than 100 feet of water frontage, the use corridor(s) width shall be reduced proportionally (e.g., a lot with 70 feet of water frontage would be restricted to a 21 feet wide use corridor(s) [70' x 0.30 = 21'])
- 2) Proposed zoning ordinance amendment 6.5 Mobile/Manufactured Home Park  
  
After much discussion Manufactured Home will be taken out of the ordinance.  
The ordinance will read 6.5 Mobile Home Park  
  
Motion made by Brandt to delete any reference to Manufactured Home in our ordinance  
2nd by Ross MC
- 3) Continue work Nude Dancing Ordinance

Steve was directed to put this on the agenda. Krause and Baumann want to move on this item. Baumann stated principal issues would not be for the zoning administrator, the problem being enforcement. After contacting the County Clerk, Deputy Sheriff, and the county zoning office, it appears there really is no way to enforce through the county and it would be our own problem.
