

**TOWN OF SPIDER LAKE, SAWYER CO, WI
PLANNING COMMITTEE MEETING 09/22/2005**

The Town of Spider Lake Planning Committee Meeting was called to order by Committee Chairman Overman. Present was Overman, Krause, Promersberger, Brandt, Zoning Administrator Boss and Clerk Guyer. Absent was Supervisor King.

The first item for discussion was to discuss the citation issued to Hoffman's. Boss had pictures of the area from January 2005 and also pictures of the area today. They have cleared approximately 30' total of the two clearing areas but there was no 70' separation between them. They moved the dock in front of the boathouse.

Boss read the letter to Kelsey written by Hoffman on their proposal for the property. He also summarized the recommendation for restoration made by Dale Olson in May 2005 which included a minimum of 15 trees being replanted with a survival rate of 80%.

The Committee agreed that if the Hoffman's would agree to plant 5 Evergreens, and 5 hardwood trees 1" or more in diameter with 5 year, 80% survival rate and the pier/dock must be placed at the boat house with no mowing or vegetation removal within 23 feet the Town would consider dismissing the case. The citation should be paid, Boss to check with the Town Attorney.

The Committee continued with the proposed Zoning Ordinance Amendments. Clerk Guyer left the meeting. Amendments proposed beginning with 2.2(2) through 9.3 and Shoreland Ordinance to conform with Sawyer County Amendments of 8/18/05 beginning with definition # 23, eliminating #33 and 86 and 4.4 1 (1) through Section 4.4T.

The Committee shall meet again on October 3, 2005 at 6:00 P.M. to continue working on the Zoning Amendments.

Motion to adjourn was made by Brandt, seconded by Overman. All in favor, motion carried.
